F. Status of Fully Financed Projects that Remain Incomplete and Projected Construction Start Date (as of June 30, 2024): Under the terms of the development agreement for the Warm Springs Age Well Center, the City shall reimburse the developer for the unpaid balance of the construction cost by making annual payments from capital facilities fees collected during the year after transferring up to \$1 million to the general fund to pay debt service on outstanding bonds. As of June 30, 2024, the unpaid balance totaled \$9,298,640. The amount shown as FY 2023/24 expenditures includes both the current year reimbursement of \$896,692 and the prior-year reimbursement of \$575,871.

G. Interfund Activities: During the period from July 1, 2023 through June 30, 2024, there were no interfund loans, but \$1,000,000 was transferred to the general fund to pay a portion of the debt service on the City's 2019 Lease Revenue Bonds.

This debt issue funded the following facilities, which were designed to accommodate future development: city hall, police administration center, police detention facility, maintenance center, development services center, family resource center, and animal shelter.

The amount of debt service funded by the interfund transfer did not exceed the proportion of project cost (principal and interest) that is allocable to new/future development.
