NAPA VALLEY BUSINESS PARK
TRAFFIC MITIGATION FEE PROGRAM
FISCAL YEAR 2018-19 THROUGH 2022-23 REPORT
Five Year Report
California Government Code 66006

Pursuant to Government Code Section 66006, the following report is made with respect to the Napa Valley Business Park (NVBP) Traffic Mitigation Fee (TMF) Program for Fiscal Years 2019-23:

- A. Description of the type of fee in the fund or account.** The TMF Program provides funding for road improvements necessitated by development within the NVBP area, as established by Resolution 90-152.
- B. Amount of fee.** The fee for Fiscal Year 2018-21 was \$3,551 per PM peak hour vehicle trip as determined in accordance with Resolution No. 08-146, and as subsequently amended. The fee for Fiscal Year 2021-23 was \$685 per daily vehicle trip as determined in accordance with Resolution No. 2021-132, and as subsequently amended.
- C. Beginning and ending balance of account or fund.** These balances are reported as follows:

Fiscal Year	Beginning Balance	Ending Balance
2018-19	\$4,169,479	\$1,247,303
2019-20	\$1,247,303	\$703,531*
2020-21	\$703,531	\$1,495,656
2021-22	\$1,495,656	\$447,908**
2022-23	\$447,908	\$201,298

* \$1,224,000 of the FY 2019-20 beginning fund balanced was a loan from the General Fund to be used towards the Devlin Road Segment E project. The loan was paid back to the General Fund in FY 2019-20. \$734,258 was reported as ending fund balance on the annual report. However, \$30,727 interest on debt was posted after the annual report was already completed. Correct Ending Balance for FY 2019-20 was \$703,531.

** In FY 2020-21, the Board approved a loan from the County's Accumulated Capital Outlay in the amount of \$1,510,508 to fund \$2.9 Million to the Napa Valley Transportation Authority (NVTA) as the County's match for the Soscol Ferry Road Project. The loan will be repaid as the Traffic Mitigation Fund is collected over time. \$458,393 was reported as ending fund balance on the annual report. However, \$10,485 interest on debt was posted after the annual report was already completed. Correct Ending Balance for FY 2021-22 was \$447,908.

D. Amount of fees collected and interest earned. These amounts are reported as follows:

Fiscal Year	Fees Collected	Interest Earned	Total
2018-19	\$6,853	\$58,248	\$65,101
2019-20	\$1,743,013	\$29,357	\$1,772,370
2020-21	\$1,211,956	\$13,250	\$1,225,206
2021-22	\$769,581	\$1,908	\$771,489
2022-23	\$115,786	\$5,158	\$120,943

E. Identification of public improvements on which fees were expended, amount of expenditure on each improvement, and percentage of the cost that was funded with the fees. These amounts are reported for Fiscal Years 2019-2023 as follows:

Fiscal Year	Project	Amount Expended	Percentage from Fees
2018-19	Devlin Road Segment E	\$1,283,205	100%
2019-20	Devlin Road Segment E	\$4,228,668	89.76%*
2019-20	Devlin Road Segment E- Interest on Loan**	\$30,727	100%
2020-21	Devlin Road Segment E	\$9,656	100%
2020-21	Soscol Rd/Devlin Rd Roundabout	\$229,098	100%
2021-22 2	Soscol Rd/Devlin Rd Roundabout	\$467,485	100%
2021-22	Soscol Ferry Road	\$2,900,000	100%
2021-22	Soscol Ferry Road-Interest on Loan**	\$10,485	100%
2022-23	Soscol Ferry Road-Interest on Loan	\$17,341	100%
2022-23	Soscol Rd./Devlin Rd.	\$350,000	100%

* \$432,879 revenue received from City of American Canyon (10.24% of total amount expended).

** These were not originally reported on the annual reports.

F. Identification of approximate dates by which construction of public improvements will commence if the local agency determines sufficient funds have been collected to complete financing on an incomplete public improvement. This information is reported in the Capital Improvement Program.

- G. **Description of interfund transfers or loans made from the account or fund.** These amounts are reported as follows:

Fiscal Year	Transfers	Loans/(Repay)
2018-19	\$4,211,278	\$1,224,000*
2019-20	\$1,061,414	(\$1,224,000)*
2020-21	\$433,082	\$0
2021-22	\$3,319,260	\$1,510,508**
2022-23	\$350,212	\$0

* During FY 2018-19, the Board approved a loan from the County's Accumulated Capital Outlay Fund to the Traffic Mitigation Fund in the amount of \$1,224,000 to fund Devlin Road Segment E project. That loan was paid back in FY 2019-20.

** On 8/17/2021, the Board approved a loan from the County's Accumulated Capital Outlay Fund to the Traffic Mitigation Fund in the amount of \$1,510,508 to fund \$2.9 Million to the Napa Valley Transportation Authority (NVTa) as the County's match for the Soscol Ferry Road Project. The loan will be repaid as the Traffic Mitigation Fund is collected over time.

- H. **The amount of refunds made pursuant to subdivision (e) of Section 66001 and any allocations pursuant to subdivision (f) of Section 66001.** Subdivision (e) of Section 66001 of the statute refers to a local agency identifying an approximate date for the construction of any of the fee-funded capital improvements which are not yet completed, or otherwise refunding the unexpended portion of the fees collected. No refunds have been made pursuant to this subdivision, because the Board of Supervisors has identified, in Resolution No. 08-147, the approximate dates for the construction of the remaining capital improvements funded by the TMF. Subdivision (f) of Section 66001 of the statute refers to a local agency determining that unexpended fee revenues may be allocated to some other purpose, if the cost of making refunds per subsection (e) exceeds the amount to be refunded. No such allocations have been made pursuant to this subdivision, because no change has been made to the purpose for which the fee is being collected.

Traffic Mitigation Fee History

The following table provides the combined summary of NVBP Traffic Mitigation Fee Funds:

Year	Mitigation Fee	Interest	Expenditures	PW Staff Cost	Loan/(Repay)	Interest on Loan	Totals
Pre 2018	\$7,810,310	\$1,437,087	(\$4,951,728)	(\$126,189)	\$0	\$0	\$4,169,479
FY2018-19	\$6,853	\$58,248	(\$4,192,160)	(\$19,118)	\$1,224,000	\$0	(\$2,922,177)
FY 2019-20	\$1,743,013	\$29,357	(\$1,055,000)	(\$6,414)	(\$1,224,000)	(\$30,727)	(\$543,771)
FY 2020-21	\$1,211,956	\$13,250	(\$420,000)	(\$13,082)	\$0	\$0	\$792,124
FY 2021-22	\$769,581	\$1,908	(\$3,300,000)	(\$19,260)	\$1,510,508	(\$10,485)	(\$1,047,748)
FY 2022-23	\$115,786	\$5,158	(\$350,000)	(\$212)	\$0	(\$17,341)	(\$246,609)
Total	\$11,657,499	\$1,545,008	(\$14,268,888)	(\$184,275)	\$1,510,508	(\$58,553)	\$201,298

FISCAL YEAR 2022-23 REPORT

California Government Code 66006

Pursuant to Government Code Section 66006, the following report is made with respect to the Napa Valley Business Park (NVBP) Traffic Mitigation Fee (TMF) Program for Fiscal Year 2022-23:

A. Description of the type of fee in the fund or account. The TMF Program provides funding for road improvements necessitated by development within the NVBP area, as established by Resolution 90-152.

B. Amount of fee. The fee for Fiscal Year 2022-23 was \$685 per daily vehicle trip as determined in accordance with Resolution No. 2021-132, and as subsequently amended.

C. Beginning and ending balance of account or fund. These balances are reported as follows:

Fiscal Year	Beginning balance	Ending balance
2022-23	\$447,908	\$201,298

D. Amount of fees collected and interest earned. These amounts are reported as follows:

Fiscal Year	Fees Collected	Interest Earned	Loan*	Total
2022-23	\$115,786	\$5,158	\$0	\$120,943

* On 8/17/2021, the Board approved a loan from the County's Accumulated Capital Outlay Fund to the Traffic Mitigation Fund in the amount of \$1,510,508 in order to fund \$2.9 Million to the Napa Valley Transportation Authority (NVTa) as the County's match for the Soscol Junction Project. The loan will be repaid as the Traffic Mitigation Fund is collected over time.

E. Identification of public improvements on which fees were expended, amount of expenditure on each improvement, and percentage of the cost that was funded with the fees. These amounts are reported for Fiscal Year 2022-23 as follows:

Project	Amount Expended	Percentage from Fees
Soscol Junction-Interest on Loan**	\$17,341	100%
Soscol Rd./Devlin Rd. Roundabout	\$350,000	100%

** On 8/17/2021, the Board approved a loan from the County's Accumulated Capital Outlay Fund to the Traffic Mitigation Fund in the amount of \$1,510,508 to fund \$2.9 Million to the Napa Valley Transportation Authority (NVTa) as the County's match for the Soscol Junction Project. The County charged interest of \$17,341 on the loan.

F. Identification of approximate dates by which construction of public improvements will commence if the local agency determines sufficient funds have been collected to complete financing on an incomplete public improvement. This information is reported in the Capital Improvement Program.

G. Description of interfund transfers or loans made from the account or fund. These amounts are reported as follows:

Fiscal Year	Transfers	Loans
2022-23	\$350,212***	\$0

*** \$350,000 transfer to Soscol Rd./Devlin Rd. Roundabout Project (Project 21060) and \$212 transfer to Public Works budget for Public Works for Staff Time.

H. The amount of refunds made pursuant to subdivision (e) of Section 66001 and any allocations pursuant to subdivision (f) of Section 66001. Subdivision (e) of Section 66001 of the statute refers to a local agency identifying an approximate date for the construction of any of the fee-funded capital improvements which are not yet completed, or otherwise refunding the unexpended portion of the fees collected. No refunds have been made pursuant to this subdivision, because the Board of Supervisors has identified, in Resolution No. 2013-126, the approximate dates for the construction of the remaining capital improvements funded by the TMF.

Subdivision (f) of Section 66001 of the statute refers to a local agency determining that unexpended fee revenues may be allocated to some other purpose, if the cost of making refunds per subsection (e) exceeds the amount to be refunded. No such allocations have been made pursuant to this subdivision, because no change has been made to the purpose for which the fee is being collected.
