

Vehicles and Equipment Impact Fee

The Vehicles and Equipment Impact Fee is levied to expand the general pool car fleet and the fleet of maintenance vehicles required to maintain new infrastructure and to expand the City's computer capability. A complete list of projects is included in the Development Impact Fee Calculation and Nexus Report dated June 15, 2022, including Appendix C, Capital Improvement Plan and Supporting Technical Memos. The impact fees held by the City for over five years (\$246) are committed, thus eliminating the need to refund any fees to developers per Government Code Sections 66000-66003. The following table summarizes the activity for the Vehicles and Equipment Impact Fee Fund from fiscal year ending June 30, 2020 through June 30, 2024.
