

Police Impact Fee

The Police Impact Fee is levied to fund the expansion of the police station, as well as 3 additional police cars needed as new development occurs. Details of the needed facilities and equipment are outlined in the 2008 Report. As of July 1, 2017, the City has outsourced all police services through a contract with Glenn County Sheriff's Office (GCSO.) In the agreement with GCSO, the agreement states that GCSO *"...shall furnish and supply all necessary labor, supervision, transportation, equipment, communication facilities, and supplies necessary to provide the Services to be rendered hereunder."* As growth occurs in the City and GCSO encounters a need to expand their facilities or add vehicles due to population growth in the City of Willows, the Police Impact Fees can be used to pay GCSO for these costs.

The Police Impact Fee Fund at the end of FY20-21 is \$60,278. The current fee charge for the Police Impact Fee is shown in Table 1. There were no fund expenditures out of this fund in FY20-21. The funds are committed for the long-term need for expansion of needed facilities and patrol cars as growth occurs.
