Requirement 5. Identification of each public improvement for which fees were expended and the amount of expenditures, including the total percentage of the cost of the public improvement that was funded with fees.

There were no expenditures this past year on Corporation Yard Fee projects.

Requirement 6. An identification of an approximate date by which the construction of the public improvement will commence if the local agency determines that sufficient funds have been collected to complete financing on an incomplete public improvement and the public improvement remains incomplete. Identification of each public improvement identified in the previous report and whether construction began on the approximate date noted. For previously identified projects that did not start construction on the approximate date in the previous report, the reason for the delay and a revised approximate date that the local agency will commence construction, if applicable.

The City does not currently have any planned Corporation Yard projects. The City is in the process of preparing an updated CIP that will identify additional planned projects for each Development Impact Fee category, including the corporation yard. In compliance with AB602, the City will also update the Development Impact Fee Nexus Study prior to 2030
