

Agenda Item A.4
CONSENT CALENDAR
Meeting Date: December 16, 2025

TO: Mayor and Councilmembers

SUBMITTED BY: Luke Rioux, Finance Director

PREPARED BY: Jennifer Richards, Accountant
Tony Gonzalez, Accounting Manager

SUBJECT: Five-Year Review and Annual Financial Report of the City of Goleta's Development Impact Fees for Fiscal Year 2024/25

RECOMMENDATION:

Adopt Resolution No. 25-__ entitled "A Resolution of the City Council of the City of Goleta, California, Approving the Five-Year Review and Annual Development Impact Fee Financial Report."

BACKGROUND:

Development Impact Fees (DIFs) are collected under the authority of the Mitigation Fee Act (also known as "Assembly Bill (AB) 1600," Government Code Sections 66000, et seq.) to mitigate the impacts of new development on public infrastructure and facilities. Local entities that collect DIFs are subject to certain reporting and accounting requirements under the Mitigation Fee Act. These fees must be used to fund public improvements that bear a reasonable relationship to the impacts of new development, and the City must track, report, and justify the ongoing retention of any unspent fee balances.

The City also collects Quimby Fees under the authority of the Subdivision Map Act (Government Code Sections 66410, et seq.), specifically Government Code Section 66477 for parkland acquisition and development as a condition of subdivision approval. While Quimby Fees are not required to be included in the City's annual AB 1600 report, staff incorporates them each year to provide a complete picture of development-related funding for parks and recreation.

This report also includes revenues and expenditures from certain developer agreements. In some cases, development agreement payments are structured as in-lieu contributions toward public improvements that function similarly to DIFs in mitigating development impacts. Including these payments provides a more comprehensive view of development-related funding.

To comply with the Mitigation Fee Act, staff recommends that the City Council adopt a resolution approving the Annual Development Impact Fee Financial Report for Fiscal Year (FY) 2024/25 (Attachment 1). This year's report also includes the required five-year

reporting and finding requirements under Government Code Section 66001(d) for the period July 1, 2020, through June 30, 2025.

DISCUSSION:

Mitigation Fee Act Reporting Requirements

The Mitigation Fee Act establishes annual reporting and disclosure requirements for local agencies that collect development impact fees. In compliance with Government Code Section 66006(b) of the Mitigation Fee Act, the required Annual DIF Financial Report for FY 2024/25 is submitted herein as Exhibits 1, 2, and 3 (Attachment 1). These exhibits detail the beginning and ending fund balances, revenues, expenditures, and other reporting elements mandated by the Mitigation Fee Act, which requires that the following information be made available to the public within 180 days after the close of each fiscal year.

For each separate account or fund established pursuant to subdivision (a), the local agency shall make available to the public the following information for the fiscal year:

- A. A brief description of the type of fee in the account or fund.*
- B. The amount of the fee.*
- C. The beginning and ending balance of the account or fund.*
- D. The amount of the fees collected and the interest earned.*
- E. An identification of each public improvement on which fees were expended and the amount of the expenditures on each improvement, including the total percentage of the cost of the public improvement that was funded with fees.*
- F. An identification of an approximate date by which the construction of the public improvement will commence if the local agency determines that sufficient funds have been collected to complete financing on an incomplete public improvement, as identified in paragraph (2) of subdivision (a) of Section 66001, and the public improvement remains incomplete.*
- G. A description of each interfund transfer or loan made from the account or fund, including the public improvement on which the transferred or loaned fee will be expended, and, in the case of an interfund loan, the date on which the loan will be repaid, and the rate of interest that the account or fund will receive on the loan.*
- H. The amount of refunds made pursuant to subdivision (e) of Section 66001 and any allocation pursuant to subdivision (f) of Section 66001.*

Five-Year Finding Requirements

In addition to the annual reporting requirements, Government Code Section 66001(d) requires the City to make specific findings every five years for each impact fee fund that retains unspent balances. The findings must:

- 1. Identify the purpose of the fee.*

2. *Demonstrate a reasonable relationship between the fee and the purpose for which it is charged.*
3. *Identify all sources and amounts of funding anticipated to complete financing for incomplete improvements identified as part of the City's annual report.*
4. *Identify the approximate dates on which the funding referred to in Requirement 3 is expected to be deposited into the appropriate account or fund.*

Failure to adopt the required five-year findings may result in the City being obligated to refund unspent impact fees to current property owners. Attachment 1, Exhibit 4, includes an excerpt from the City's Five-Year Capital Improvement Program, adopted on June 17, 2025, that identifies the applicable improvements, funding sources, and expected timelines for these purposes. It should be noted that project costs are estimates and may change with future updates.

DIF Categories and Other Development-Related Fees

At the beginning of FY 2024/25, the City's adopted DIF categories, along with other development-related revenue sources, included the following:

- Transportation
- Parks and Recreation (residential and commercial/industrial)
- Public Administration (including Police)
- Library
- Fire
- Storm Drain
- Bicycle and Pedestrian
- Non-Residential Affordable Housing
- Quimby
- Developer Agreements (in addition to DIFs)

For a detailed description of each fee category, see Exhibit 1 of Attachment 1. The following Table 1 summarizes the beginning fund balances, total revenues, total expenditures, and the ending fund balance for each DIF account, including Quimby and Developer Agreement funds, for FY 2024/25.

Table 1: DIF and Other Development-Related Account Summary**July 1, 2024 through June 30, 2025**

Category	Beginning Balance	Total Revenue	Total Expenditures	Ending Fund Balance
Transportation	\$8,914,576.02	\$2,603,026.79	\$10,221,398.00	\$1,296,204.81
Parks and Recreation*	\$5,539,313.74	\$275,786.10	\$ 3,494,411.64*	\$2,320,688.20
Public Administration (includes Police)	\$195,808.00	\$666,518.22	\$2,655.84	\$839,670.38
Library	\$187,957.23	\$212,744.60	\$117,747.67	\$282,954.16
Fire	\$3,753,890.34	\$430,945.91	\$67,358.15	\$4,117,478.10
Storm Drain	\$609,443.01	\$29,474.56	\$74,136.82	\$564,780.75
Bike and Pedestrian	\$277,205.06	\$13,711.81	\$ -	\$290,916.87
Non-Residential Affordable Housing	\$6,658.92	\$327.09	\$ -	\$6,986.01
Quimby**	\$3,131,795.34	\$3,302,110.09**	\$ -	\$6,433,905.43
Developer Agreement	\$615,163.38	\$1,554,760.00	\$644,904.48	\$1,525,018.90

Note:

- **Parks and Recreation "Total Expenditures" includes a one-time transfer of approximately \$3.1 million to the Quimby Fund to reflect prior-year Quimby Fee collections previously held in the Parks DIF Fund. This transfer does not represent new spending on capital projects.*
- ***Quimby "Total Revenue" includes a one-time interfund transfer of prior-year Quimby Fee collections of \$3.1 million from the Parks and Recreation DIF Fund to establish the standalone Quimby Fund. This transfer reflects a cleanup adjustment and does not represent new revenue received in FY 2024/25.*
- *The City also collects Affordable Housing In-Lieu Fees under its Inclusionary Housing Program. These fees are not governed by the Mitigation Fee Act and are therefore not included in this report. Beginning January 1, 2026, these fees will be subject to the separate reporting and posting requirements of Government Code Section 65906.6.*

Exhibit 2 to Attachment 1 contains a Statement of Revenues, Expenditures and Changes in Fund Balances for each DIF fund account for FY 2024/25. These statements provide details on the revenue and expenditure activities of each fund over the last fiscal year, showing which funds were received and how they were spent. Exhibit 3 to Attachment 1 provides the adopted Development Impact Fee schedules.

Historically, Quimby Fees were deposited into the Parks and Recreation (Parks) DIF Fund. Toward the end of FY 2023/24, staff created a separate Quimby Fund to improve transparency and ensure compliance with the Subdivision Map Act, which governs Quimby Fees differently than DIFs. Although the use of these funds is similar, the way the fee is assessed and annually adjusted differs from the Parks DIF. In FY 2024/25, staff completed the interfund transfer to move prior Quimby Fee collections from the Parks DIF fund balance into the newly established Quimby Fund. Some related capital projects still have existing appropriations from the Parks DIF Fund, in which staff will continue working

with project managers to transition these appropriations to the Quimby Fund as appropriate.

No loans, refunds, or allocations pursuant to Government Code Sections 66001(e), 66001(f), or Section 66006(b)(1)(G) were made during the reporting period. Unexpended fund balances represent fees collected for Council-approved public improvement projects that are either under construction or will be constructed when financially feasible, as programmed in the adopted Five-Year Capital Improvement Program. The City intends to use the unexpended fund balances for their designated improvement purposes, which include appropriations for active multi-year capital projects and projects programmed in the adopted Five-Year Capital Improvement Program, as shown in Attachment 1, Exhibits 2 and 4.

FISCAL IMPACTS:

This item is a reporting and compliance disclosure requirement under the Mitigation Fee Act and has no fiscal impact, other than staff time required to prepare the report. The action does not authorize any expenditures, amend any appropriations, or modify any fees. The report provides a summary of development impact fee activity only.

Resolution No. 25-____ entitled "A Resolution of the City Council of the City of Goleta, California, Approving the Five-Year Review and Annual Development Impact Fee Financial Report"

RESOLUTION NO. 25-__

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF
GOLETA, CALIFORNIA, APPROVING THE FIVE-YEAR
REVIEW AND ANNUAL DEVELOPMENT IMPACT FEE
FINANCIAL REPORT**

WHEREAS, the Mitigation Fee Act, Government Code Sections 66000, *et seq.* (the “Act”), governs the establishment and administration of development impact fees paid by new development projects for public facilities needed to serve new development; and

WHEREAS, the Act, Government Code Section 66006(b), requires that the City prepare annual financial reports of all development impact fees and make the reports available to the public; and

WHEREAS, the Act, Government Code Section 66001(d), requires that the City prepare a five-year review to make the appropriate findings with respect to the portion of the fund remaining unexpended; and

WHEREAS, the City has established the following Development Impact Fees (“DIFs”):

- (1) Transportation DIF;
- (2) Park DIF for residential development (no subdivision);
- (3) Park DIF for commercial and industrial development;
- (4) Public Administration Facility DIF (including Police);
- (5) Library Facility DIF;
- (6) Fire Facility DIF;
- (7) Storm Drain DIF;
- (8) Bike and Pedestrian DIF;
- (9) Non-Residential Affordable Housing DIF;

WHEREAS, in addition to these DIFs, the City collects Quimby Fees and certain Developer Agreement contributions, which are included in the annual report for transparency; and

WHEREAS, the City desires to review the annual reports regarding these DIFs.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF GOLETA AS FOLLOWS:

SECTION 1. RECITALS

The City Council hereby finds and determines that the foregoing recitals, which are incorporated herein by reference, are true and correct.

SECTION 2. ANNUAL FINANCIAL REPORTS OF DEVELOPMENT IMPACT FEES

The City Council hereby approves the annual financial report of the DIFs, Quimby Fee, and Developer Agreements for Fiscal Year 2024/2025, setting forth the following information:

1. Brief descriptions of each type of DIF, Quimby Fee and the Developer Agreements in each of the funds are provided in Exhibit 1, which is attached and incorporated herein by reference.
2. The amounts of the fees are provided in Exhibit 3.
3. The beginning and ending balance of each of the funds are provided in Exhibit 2, which is attached and incorporated herein by reference.
4. The amount of DIFs, Quimby Fees and the Developer Agreements collected and interest earned for each fund for the reporting period are provided in Exhibit 2.
5. Each public improvement on which the DIFs, Quimby Fees and the Developer Agreements were expended and the amount of expenditures, including the total percentage of the cost of the public improvement funded with those DIFs and Quimby Fees are provided in Exhibit 2.
6. The approximate dates by which the construction of the incomplete public improvements identified will commence are provided in Exhibit 2.
7. There have been no loans made from any of the funds identified in Exhibit 2 during the reporting period. There was one interfund transfer during the reporting period, moving historical Quimby Fee collections from the Park DIF fund to the Quimby fund.
8. There have been no refunds or allocations of DIFs, Quimby Fees and the Developer Agreements collected and deposited in the funds identified in Exhibit 2 during the reporting period.

SECTION 3. FIVE-YEAR REVIEW FINDINGS

The City Council hereby finds the following:

1. The Transportation Improvement Program, Bike and Pedestrian, Storm Drain, Park (residential and commercial/industrial development), Public Administration Facility (including Police),

Library Facility, Fire Facility, and Non-Residential Affordable Housing Development Impact Fees, Quimby Fee, and Developer Agreements are collected to mitigate impacts of new development as described in Exhibit 1.

2. The reasonable relationship between the development impact fees and the purpose for which these fees are charged as required by applicable law, is supported by the City's adopted nexus studies. The fee purposes and corresponding categories are summarized in Exhibit 1.
3. The sources and amounts of funding anticipated to complete the financing of incomplete public improvements are set forth in Exhibit 2, as well as in the City's Five-Year Capital Improvement Program.
4. The approximate dates by which any funding anticipated to complete the financing of incomplete public improvements are set forth in the City's Five-Year Capital Improvement Program. The Five-Year Summary by Fund and Project from the Program has been attached as Exhibit 4.

SECTION 4. CERTIFICATION

The City Clerk shall certify to the passage and adoption of this resolution and enter it into the book of original resolutions.

PASSED, APPROVED AND ADOPTED this 16th day of December 2025.

Development Impact Fee Fund Descriptions

Transportation Development Impact Fees. Fees collected for the actual and estimated costs for transportation purposes, including but not limited to, roads, road rights of way, striping, curbs, gutters, sidewalks, bridges, traffic control devices, street lighting, bicycle lanes built in conjunction with standard roadway design and related planning, engineering, construction and administrative activity.

Park Fund (Residential Development) Fund: Fees collected for the actual or estimated costs of acquiring land for Public Park Facilities for Recreation, open space, riding and hiking trails, ancillary facilities, as well as related planning, engineering, construction and administrative activity and any other capital Park and Recreation Facility projects identified in the five-year Capital Improvement Plan. This fee is collected from residential projects that are not associated with a subdivision.

Park Fund (Commercial/Industrial Development) Fund: Fees collected for commercial and industrial projects for the actual or estimated costs of acquiring land for Public Park Facilities for Recreation, open space, riding and hiking trails, ancillary facilities, as well as related planning, engineering, construction and administrative activity and any other capital Park and Recreation Facility projects identified in the five-year Capital Improvement Plan.

Quimby Fund: Fees collected pursuant to Government Code Section 66477 (Quimby Act) for the acquisition and development of parklands. These fees are collected on non-commercial residential projects that are associated with subdivisions.

Public Administration Facility Fund: Fees collected to finance public improvements and facilities for governmental buildings and facilities; community and civic centers; portions of community buildings devoted to Public Administration in Goleta; related planning, engineering, construction and administrative activity; and any other capital Public Administration Facility projects identified in the City's Five-Year Capital Improvement Plan. The public Administration Facility Fund is also used to finance public improvements and facilities for police, jail, juvenile and probation facilities; patrol cars; equipment; related planning, engineering, construction and administrative activity; and any other capital Police Facility projects identified in the City's Five-Year Capital Improvement Plan.

Library Facility Fund: Fees collected to finance public improvements and facilities for public libraries; related equipment, buildings, and books; related planning, engineering, construction and administrative activity; and any other capital Library Facility projects identified in the City's Five-Year Capital Improvement Plan.

Fire Facility Fund: Fees collected to finance public improvements and facilities for fire suppression and protection, emergency medical response and transport, and

rescue and hazardous materials response purposes and related planning, engineering, construction and administrative activity.

Storm Drain Impact Fees. Fees collected to finance public improvements and facilities for storm drainage, including but not limited to inlets and outlets, storm drainpipes, box culverts, and pump stations and related planning, engineering, and administrative activity.

Bicycle and Pedestrian Impact Fees: Fees collected to finance public improvements that facilitate walking and bicycling in the City, including but not limited to sidewalks, multi-use trails, bike lanes, bike paths and related planning, engineering, construction and administrative activity.

Non-Residential Affordable Housing Fee: Fees collected for non-residential projects (commercial, retail, hospitality and, industrial) to finance affordable housing and related planning, engineering, construction and administrative activity.

Developer Agreements: This fund is used to account for developer agreements made in-lieu of DIF payments for use in agreed upon projects with the City related to development.

¹ Parks fees based on "Apartment" category.

² Transportation fees are calculated for the PM Peak Hour by using the Institute of Transportation Engineers (ITE) Trip Generation Rate most applicable to the proposed development. The appropriate ITE Generation Rate is determined by Public Works Staff using the most current rates (currently 10th edition of ITE Manual) at the time of fee payment. If no applicable ITE Trip Generation rate can be found in the current ITE Manual, the Developer may use a site specific Traffic Study to generate Peak Hour Trips (PHT), prepared by a registered Traffic Engineer (T.E.) in the State of California, and approved by Public Works.

³ Developers, if they wish, may make payment of fees prior to the "Certificate of Occupancy" milestone but no earlier than issuance of the Entitlement Permit.

⁴ Affordable Housing Fee adopted by City Council on October 19, 2021.

Accessory Dwelling Units (ADU's)	ADU's with floor areas of 750 SF or less shall receive a 100% waiver of all DIF's. ADU's with a floor area greater than 750 SF shall be charged a flat \$5,000 DIF based on Council Resolutions 19-43 and 22-68 .						
Beneficial Projects	All qualifying Non-Profit Organizations shall receive a 100% DIF reduction up to the first 15,000 SF of the Project.						
	All qualifying Non-Profit Special Care Homes, Residential Care Facilities, Assisted Living, Supportive Housing, Transitional Housing, Special Needs Housing, Child Care Facility, Family Day Care or Day Care shall receive a 100% DIF reduction.						
	All For-Profit Special Care Homes, Residential Care Facilities, Assisted Living, Supportive House, Transitional Housing, Special Needs Housing, Child Care Facility, Family Day Care or Day Care shall receive a 85% DIF reduction.						

¹ Parks fees based on "Apartment" category.

City of Goleta Development Impact Fees - FY 2022/2023 (July 1, 2022 to June 30, 2023). Updated 01-20-23.

Fees based on: i. "Development Impact Fee Program Update Report" prepared by Urban Economics and approved by City Council on February 19, 2019; and ii. "Establishment of Beneficial Projects Categories Eligible for Development Impact Fee Reductions or Waivers" approved by City Council on July 16, 2019; and iii. Affordable Housing Development Impact Fee Program - "Resolution 21-46, A Development Impact Fee Nexus Study and Non-Residential Affordable Housing Development Impact Fees, adopted by City Council on October 5, 2021."

Land Use Category	Units	Development Impact Fee	Fee Determination By	Fee Collection By	Fee Due By ³	Cost Index for FY22/23	Index Source
-------------------	-------	------------------------	----------------------	-------------------	-------------------------	------------------------	--------------

² Transportation fees are calculated for the PM Peak Hour by using the Institute of Transportation Engineers (ITE) Trip Generation Rate most applicable to the proposed development. The appropriate ITE Generation Rate is determined by Public Works Staff using the most current rates (currently 10th edition of ITE Manual) at the time of fee payment. If no applicable ITE Trip Generation rate can be found in the current ITE Manual, the Developer may use a site specific Traffic Study to generate Peak Hour Trips (PHT), prepared by a registered Traffic Engineer (T.E.) in the State of California, and approved by Public Works.

³ Developers, if they wish, may make payment of fees prior to the "Certificate of Occupancy" milestone but no earlier than issuance of the Entitlement Permit.

⁴ Affordable Housing Fee adopted by City Council on October 19, 2021.
