1) Other Charges include expenses for General Fund Indirect Charges, Other/Bank Charges, Developer Reimbursement, and Temporary Assistance.

Requirement 5. Identification of each public improvement for which fees were expended and the amount of expenditures, including the total percentage of the cost of the public improvement that was funded with fees.

Table 8 summarizes the expenditures this past year on storm drainage projects.

Requirement 6. An identification of an approximate date by which the construction of the public improvement will commence if the local agency determines that sufficient funds have been collected to complete financing on an incomplete public improvement and the public improvement remains incomplete.

Table 8 summarizes the planned future expenditures for the Storm Drainage Facility Fee.
