

## Traffic Impact Fee (Fund 820)

This plan area development impact fee program funds new development's fair share of new and expanded roadway and intersection improvements east of US 101 to serve the City of South San Francisco.

|                                                                   |                           |                     |
