Notes:

- (1) The Water Facility Fee Fund reports a negative fund balance as a result of bonds payable, in the amount of \$15,935,500, associated with the Surface Water Treatment Facility.
- (2) In 2009/10, the Parks and Trails Facility paid \$1,366,574 to the Liberty Union High School District for the Pool and Gym per the Heritage High School Joint Use Agreement.
- (3) The Parks and Trails Facility Fee Fund reports a negative fund balance due to project timing issues which are expected to be corrected once development activity increases. Several CIP projects have been funded in advance on the basis of fees being collected in ensuing years. This type of fiscal management is mandatory to support the infrastructure needed to accommodate the planned development.
- (4) The Wastewater Facility Fee Fund reports a negative fund balance as a result of notes payable, in the amount of \$15,769,912, associated with the Wastewater Treatment Plant Expansion.
