Notes:

- (1) The Water Facility Fee Fund reports a negative fund balance as a result of bonds payable, in the amount of \$15,935,500, associated with the Surface Water Treatment Facility.
- (2) The Parks and Trails Facility Fee Fund reports a negative fund balance due to project timing issues which are expected to be corrected once development activity increases. Several CIP projects have been funded in advance on the basis of fees being collected in ensuing years. This type of fiscal management is mandatory to support the infrastructure needed to accommodate the planned development.
- (3) The Wastewater Facility Fee Fund reports a negative fund balance as a result of notes payable, in the amount of \$13,751,534, associated with the Wastewater Treatment Plant Expansion.
- (4) The Fire Facility Fee Fund reports being held beyond the five-year as described by AB1600. These funds will be expended on the two remaining Fire stations once the economic and housing markets recover.
