Notes:

- (1) Other revenues include transfers in associated with CIP project funding timing changes, the closure of CIP projects and developer contributions for fair share improvements.
- (2) The Water DIF Fund reports a negative fund balance as a result of bonds payable associated with the Surface Water Treatment Facility. The payable as of June 30, 2021 is \$10,419,366.
- (3) The Community Facilities DIF Fund reports a negative fund balance due to timing issues which are expected to be corrected over the next several years as development occurs. CIP projects have been funded in advance on the basis of fees being collected in ensuing years. This type of fiscal management is mandatory to support the infrastructure needed to accommodate the planned development.
