Notes:

- (1) The Water Facility Fee Fund reports a negative fund balance as a result of bonds payable, in the amount of \$15,322,596, associated with the Surface Water Treatment Facility.
- (2) Other revenues for the Roadway Facility Fee Fund include developer contributions for fair share improvements and transfers in associated with the closure of CIP projects.
- (3) The Parks and Trails Facility Fee Fund reports a negative fund balance due to project timing issues which are expected to be corrected over the next several years as development occurs. Several CIP projects have been funded in advance on the basis of fees being collected in ensuing years. This type of fiscal management is mandatory to support the infrastructure needed to accommodate the planned development.
- (4) Other revenues for the Water Facility Fee Fund, Wastewater Facility Fee Fund and Fire Facility Fee Fund include transfers in associated with the closure of CIP projects.
- (5) The Wastewater Facility Fee Fund reports a negative fund balance as a result of notes payable, in the amount of \$11,659,631, associated with the Wastewater Treatment Plant Expansion.
- (6) The Fire Facility Fee Fund reports funds being held beyond the five-year as described by AB1600. These funds will be expended on the two remaining Fire stations as conditions warrant.
