Development Impact Fees Report Pursuant to the Mitigation Fee Act
Fiscal Year Ended June 30, 2025

New Development Impact Fee - All Areas (1, 2, and 3)

For the purpose of compliance with Government Code subsection 66006(b)(1), the following information regarding AB 1600 fees is presented:

For each separate account or fund established pursuant to subdivision (a), the local agency shall, within 180 days after the last day of each fiscal year, make available to the public the following information for the fiscal year:

(A) *A brief description of the type of fee in the account or fund.*

The purpose of this fee is to provide a method for the financing of public works capital improvements made necessary by permitting new development for nonresidential use. Fees from each new development shall be appropriated and disbursed only for street improvements, traffic controls and traffic management projects which are made necessary by the development and are: (A) located within the area from which the fees were collected; or (B) located within the impact zone of the new development as determined pursuant to 15.06.040; or (C) Found pursuant to 15.06.045 to benefit the new development and mitigate its traffic impact.

Culver City Municipal Code Section #15.06.005 New Development Impact Fees. This fee was established in August of 1983. Funds are accounted for in a separate Community Development Fund #417.

(B) *The amount of the fee.*
