

Fire Protection Fund (Fund 210)

The purpose of the Fire Protection Fee is to ensure that new development funds its share of fire protection facilities. The City owns a single fire station. The City is planning to spend fire facilities fee revenues on an expansion and reconfiguration of the sleeping quarters at the fire station. This will allow the Five Cities Fire Authority to increase staffing and service capacity as the City grows. The 10-Year Capital Improvement Project (CIP) schedule includes a Fire Station 1 Expansion and Reconfiguration of the Sleeping Quarters in FY 2028-29 totaling \$150,000.

The Current Amount of the DIF for Residential per square foot is \$0.24 and for Nonresidential per square foot Commercial is \$0.21 and Office is \$0.33.
