

Recreation Facilities Fund (Fund 215)

The purpose of the recreation facilities impact fee is to ensure that new development funds its fair share of recreation facilities. The City's recreation facilities inventory is comprised of the Community Center/Woman's Club, Historical Society Complex, and Mark M. Millis Community Center. The City plans to construct a new community center to replace the Millis Community Center. The 10-Year CIP schedule includes new Recreation Services/Community Center Building with funding totaling \$15,000 allocation in FY 2027-28 and FY 2028-29.

The Current Amount of the DIF for Residential per square foot is \$0.17. Nonresidential property is not subject to this fee.
