

Wastewater Impact Fee – Fund 506

The Wastewater Impact Fee was established in 2018 by Resolution No. 10880 as part of the 2017 Water and Wastewater Capacity and Connection Fee Study. Effective June 5, 2019, the Wastewater Impact Fee was updated to include the cost of the Buckley Lift Station, the updated fee was adopted via Resolution No. 11020. The fees collected are to be used for the expansion and improvement of facilities used for sewer collection and sewer treatment. Specifically, the facilities and improvements to be paid for by these fees are listed in the 2017 Water and Wastewater Capacity and Connection Fee Study. Wastewater Impact Fees are governed by Municipal Code 4.20.140 and 4.56. The Wastewater Impact Fee Fund 506 is used to separately collect and account for Wastewater Impact Fees. The fees collected are transferred to the Sewer Fund (602) as reimbursement and/or advancement for eligible project costs which occur from the Sewer Fund.

As of June 30, 2025, the fund balance available for expenditure is \$5,799,629.03. Expenditures from fund balance totaled \$943,559.30 in FY 2024-25. Refer to Exhibit A and Exhibit B for details of projects which are being funded with this fee. As of June 30, 2025, there were no funds which had been held for more than five years.
