

Water Impact Fee – Fund 509

The Water Impact Fee was established in 2018 by Resolution No. 10880 as part of the 2017 Water and Wastewater Capacity and Connection Fee Study. The fees collected are intended to fund the expansion and improvement of facilities used for water supply, water treatment, and water distribution necessary to serve new development. Specifically, the facilities and improvements to be paid for by these fees are listed in the 2017 Water and Wastewater Capacity and Connection Fee Study. Water Impact Fees are governed by Municipal Code 4.20.140 and 4.56. The Water Impact Fee Fund 506 is used to separately collect and account for Water Impact Fees. The fees collected are transferred to the Water Fund (601) as reimbursement and/or advancement for eligible project costs which occur from the Water Fund.

As of June 30, 2025, the fund balance available for expenditure was \$6,851,326.63. Expenditures from fund balance totaled \$2,643,232.35 in FY 2024-25. Refer to Exhibit A and Exhibit B for details of projects which are funded with this fee. As of June 30, 2025, there were no funds which had been held for more than five years.
