

City of Fort Bragg, California
Development Impact Fees Report
Parking-In-Lieu Fees
Fiscal Year Ended June 30, 2017

For purpose of compliance with California Government Code Subsection 66006(b)(1), the following information regarding AB 1600 fees is presented in connection with the City's General Plan Maintenance fund:

(A) A brief description of the type of fee in the account or fund.

Parking In-Lieu Fee – The Parking In-Lieu Fee was established to provide flexibility for property owners in the Central Business District. Property owners can pay the fee instead of developing on-site parking which would otherwise use a significant amount of land and have a high cost to build. The Parking In-Lieu Fees allow for shared parking, better urban design, more flexible and effective land use, historic building reuse and economic development.

(B) The amount of the fee.

The Parking In-Lieu fee was temporarily waived effective October 22, 2012. The waiver has been extended annually since that time and continues in effect. In FY 2017 a parking lot sub-lease was established with the North Coast Brewing Company in the amount of \$3,600 annually.

(C) The beginning and ending balance of the account or fund. See statement below.

(D) The amount of the fees collected and the interest earned. See statement below.
