

a. Amount of the Reportable Fees:

The Reportable Fees were authorized to be levied on Development by the Board of Trustees (“Board”) of the District at the time the Reportable Fees were adopted. As shown in the District’s Fee Justification Study (“FJS”) and School Facilities Needs Analysis (“SFNA”), the Reportable Fees only partially mitigate the impacts to the District caused by Development because the Reportable Fee amounts do not adequately fund the District’s School Facilities needs resulting from additional Development within the District. (Government Code Section 66006(b)(1)(A).)

Statutory School Facility Fees (Government Code Section 66006(b)(1)(B))
