

Fiscal Year 2023–24 AB 1600 Annual Report

A. Description of the Fee

The Fire Facilities Development Impact Fee (DIF) finances capital improvements needed to support new development, including fire station construction, expansion, apparatus, and capital equipment.

B. Amount of the Fee (FY 2023–24)

The following Development Impact Fees were adopted and collected during FY 23–24:

- Single-Family Residential: \$0.98 per sq. ft.
- Multi-Family Residential: \$0.98 per sq. ft.
- Commercial: \$0.98 per sq. ft.
- Industrial: \$0.98 per sq. ft.

These represent the actual adopted and collected DIF rates. No aerial ladder fee or voter-approved fee is included because they are not part of AB 1600 reporting.

C. Beginning and Ending Balances – FY 2023–24

Beginning Balance: \$0.00

Ending Balance: \$115,332.46

D. Fees Collected and Interest Earned – FY 2023–24

Fees Collected: \$102,184.60

Interest Earned: \$13,147.86

Total Revenue: \$115,332.46

E. Public Improvements Funded – FY 2023–24

No expenditures were made from mitigation revenue in FY 2023–24.

F. Status of Capital Improvements

The Development Impact Fee Study identifies long-range capital needs such as a new fire station, apparatus, and capital equipment. Revenue collected is being accumulated for these future projects.

G. Interfund Transfers or Loans

No interfund transfers or loans occurred during FY 2023–24.

H. Refunds

No refunds were issued pursuant to Government Code §66001(e) or (f).
