Requirement 5. Identification of each public improvement for which fees were expended and the amount of expenditures, including the total percentage of the cost of the public improvement that was funded with fees.

There were no expenditures this past year on utility undergrounding projects.

Requirement 6. An identification of an approximate date by which the construction of the public improvement will commence if the local agency determines that sufficient funds have been collected to complete financing on an incomplete public improvement and the public improvement remains incomplete.

Table 34 summarizes the planned future expenditures for the Utility Undergrounding In-Lieu Fee. The City's CIP budget team is aware of the available funds for Utility Undergrounding projects and are in the process of identifying applicable projects in the next CIP Budget Plan.
