Requirement 5. Identification of each public improvement for which fees were expended and the amount of expenditures, including the total percentage of the cost of the public improvement that was funded with fees.

There were no expenditures this past year on utility undergrounding projects.

Requirement 6. An identification of an approximate date by which the construction of the public improvement will commence if the local agency determines that sufficient funds have been collected to complete financing on an incomplete public improvement and the public improvement remains incomplete. Identification of each public improvement identified in the previous report and whether construction began on the approximate date noted. For previously identified projects that did not start construction on the approximate date in the previous report, the reason for the delay and a revised approximate date that the local agency will commence construction, if applicable.

Table 34 outlines the planned projects for the Utility Undergrounding In-Lieu Fee and the anticipated construction start date for each project. If the approximate start date for a project has been revised from the last AB1600 Report, the reason is listed.
