Transfers Out	\$0.00
Ending Balance as of June 30, 2024	\$1,798,273.93

1) Fair Market Value Adjustment may be negative due to GASB Statement 31 for a temporary fair value adjustment.

2) Indirect Charges include central services expenses related to administering the fee program.

Requirement 5. Identification of each public improvement for which fees were expended and the amount of expenditures, including the total percentage of the cost of the public improvement that was funded with fees.

Table 24 and **Table 25** summarize the expenditure for this past year for the Water Resource Development Fee and Capital Facility Charge.

Requirement 6. An identification of an approximate date by which the construction of the public improvement will commence if the local agency determines that sufficient funds have been collected to complete financing on an incomplete public improvement and the public improvement remains incomplete. Identification of each public improvement identified in the previous report and whether construction began on the approximate date noted. For previously identified projects that did not start construction on the approximate date in the previous report, the reason for the delay and a revised approximate date that the local agency will commence construction, if applicable.
