City of Belmont
Annual Report on Housing Impact Fees (Fund 277)
Fiscal Year Ending June 30, 2018

Purpose and Authority for Collection

The purpose of the housing mitigation fee is to mitigate the burdens created by new residential and non-residential development projects on the need for extremely low, very low, low, and moderate-income housing. All housing mitigation fees collected shall be deposited into the City's Affordable Housing Fund to be used to increase and preserve the supply of housing affordable to households of extremely low, very low, low, median, and moderate incomes (including necessary administrative costs). City Council Resolution 2017-005, adopted January 10, 2017, authorizes assessment of a Housing Impact Fee in connection with the issuance of any building permit for residential or non-residential development within the City of Belmont, consistent with the affordable housing goals, objectives, policies and programs of the City's Housing Element.
