

The Reportable Fees were authorized to be levied on Development by the Board of Education (“Board”) of the District at the time the Reportable Fees were adopted. As shown in the District’s Fee Justification Study (“FJS”) and School Facilities Needs Analysis (“SFNA”), the Reportable Fees only partially mitigate the impacts to the District caused by Development because the Reportable Fee amounts do not adequately fund the District’s School Facilities needs resulting from additional Development within the District. Government Code Section 66006(b)(1)(A).

¹ Pursuant to Education Code 17620(a)(5), Level 1 Fees collected may also be spent on the following non-facility costs: the costs of conducting a School Facilities Needs Analysis and/or Fee Justification Study; and preparing the Annual and Five-Year Report. In addition, a school district may also retain “an amount not to exceed, in any fiscal year, three percent of the fees collected in that fiscal year...” The three percent amount is for the reimbursement of administrative costs incurred in collecting the fee. For school districts that levy a Level 2 Fee, the three percent amount is calculated only on the amount of the Level 1 Fees that are collected.
