Fiscal Year Ended June 30, 2024

Water Demand Mitigation Fee

For the purpose of compliance with Government Code subsection 66006(b)(1), the following information regarding AB 1600 fees is presented:

For each separate account or fund established pursuant to subdivision (a), the local agency shall, within 180 days after the last day of each fiscal year, make available to the public the following information for the fiscal year:

(A) A brief description of the type of fee in the account or fund.

The Water Demand Mitigation Fee - A one-time fee the City charges new development to mitigate the total daily water consumption rate projected for the development. The total daily water demand for the project is calculated using standard water demand factors which have been developed by City staff. The water demand mitigation fee is set at \$3.00 for each gallon of daily water demand which must be mitigated. Effective, July 1, 2017, the Water Demand Mitigation Fee was replaced with the Water Neutrality Fee. The City will continue to collect Water Demand Mitigation revenues for permit applications submitted prior to July 1, 2017 with the following exception: Any new development applications for a building permit filed on or before November 27, 2018, that only results in a change of use of less than 6,000 square feet and/or an addition of less than 1,500 square feet, will be required to pay the water demand mitigation fee in effect as of November 27, 2018.

This fee is required when:

- Single-Family Residence -- for construction of a new residence or whenever adding 50% or greater to the square footage.
- Multi-Family -- for construction of a new building or whenever new units are added.
- Non-Residential -- for construction of a new building or whenever there is a change of use, changing or adding plumbing fixtures, or adding restaurant seats or square footage.

(B) The amount of the fee.
