

**THE SOUTH WHITTIER SCHOOL DISTRICT ANNUAL REPORTABLE
DEVELOPER FEES REPORT FOR FISCAL YEAR 2018-2019, IN COMPLIANCE
WITH GOVERNMENT CODE SECTIONS 66006 AND 66001**

Government Code Sections 66006 and 66001 provide that the South Whittier School District (“District”) shall make available to the public certain information and adopt prescribed findings relative to school facility fees adopted pursuant to Education Code Section 17620 and Government Code Sections 65995 (“Level 1 Fees” and “Commercial/Industrial Fees” collectively, “Statutory School Facility Fees”) and Government Code Sections 65995.5, 65995.6 and 65995.7 (“Level 2 Fees” and “Level 3 Fees” collectively, “Alternative School Facility Fees”). The foregoing fees are collectively also referred to as reportable fees (“Reportable Fees”). The described information and findings contained in this Annual Reportable Fees Report (“Report”) relate to Reportable Fees that the District received, expended or may expend in connection with school facilities (“School Facilities”) in order to accommodate additional students from new and other residential development as well as commercial and industrial construction (collectively referred to as “Development”) if funded or partially funded with Reportable Fees. The Reportable Fees only include money in possession of the District and does not include letters of credit, bonds, or other instruments to secure payment of Reportable Fees at a future date. The Reportable Fees have not been levied, collected, or imposed for general revenue purposes.

ANNUAL REPORT

A. In accordance with Government Code Section 66006, the District provides the following information for fiscal year 2018-2019:

The Reportable Fees consist of Statutory School Facility Fees and Alternative School Facility Fees. The Reportable Fees were deposited in Fund 25 (“Fund”), a separate capital facilities account or fund in a manner to avoid any commingling of the Reportable Fees with other revenues and funds of the District. As this Report provides, the Reportable Fees and any interest income earned by moneys in the Fund have been expended as set forth herein solely for the purpose for which the Reportable Fees were originally collected. Government Code Section 66006(a).

B. Reportable Fees Information for the Fund:

1. Within 180 days after the last day of each fiscal year, the District is required to make available to the public certain information. As set forth below, the District provides the following information for the Fund for the fiscal year 2018-2019. Government Code Section 66006(b)(1).

a. Amount of the Reportable Fees:

The Reportable Fees were authorized to be levied on Development by the Board of Education (“Board”) of the District at the time the Reportable Fees were adopted. As shown in the District’s Fee Justification Study (“FJS”) and School Facilities Needs Analysis (“SFNA”), the Reportable Fees only partially mitigate the impacts to the District caused by Development because the Reportable Fee amounts do not adequately fund the District’s School Facilities needs resulting from additional Development within the District. Government Code Section 66006(b)(1)(A).

Statutory School Facility Fees (Government Code Section 66006(b)(1)(B))

Level 1 Residential: \$3.79 per square foot

Level 1 Commercial/Industrial: \$0.61 per square foot

b. Beginning and Ending Balance, Reportable Fees Collected, Interest Earned and Expenditures of the Fund (Government Code Section 66006(b)(1)(C) and (D)):

	Reportable Fees
Beginning Balance 7/1/2018	353,676.35
Amount of Reportable Fees Collected	206,952.58
Interest Earned	7,369.17
Expenditures	129,738.44
Ending Balance 6/30/2019	438,259.66

c. Identification of Each District Project on Which Reportable Fees Were Expended Including the School Facilities Project (“Project”) Total and Percentage of the Project Cost that was Funded with Reportable Fees (Government Code Section 66006(b)(1)(E)):

Project Description	Reportable Fees Spent	Project Total	Percentage of Project Total Funded w/ Reportable Fees
Loma Vista driveway expansion	100,714.40	100,714.40	100%
Door Buzzer security System	29,024.04	29,024.04	100%

¹ Pursuant to Education Code 17620(a)(5), Level 1 Fees collected may also be spent on the following non-facility costs: the costs of conducting a School Facilities Needs Analysis and/or Fee Justification Study; and preparing the Annual and Five-Year Report. In addition, a school district may also retain “an amount not to exceed, in any fiscal year, three percent of the fees collected in that fiscal year...” The three percent amount is for the reimbursement of administrative costs incurred in collecting the fee. For school districts that levy a Level 2 Fee, the three percent amount is calculated only on the amount of the Level 1 Fees that are collected.

¹ The District is required to make such identification pursuant to Government Code Section 66001(a)(2). The identification may have been done by reference to a capital improvement plan or general plan or may be made in other public documents that identify the public facilities for which the fee is charged.

d. When the District Accumulates Sufficient Funds to Complete Project(s) for Which It Previously Identified as Intending to Spend Reportable Fees, the District Needs to Identify the Approximate Date It Will Commence Construction on Such Project(s) (Government Code 66006(b)(1)(F)):

The District has determined for the fiscal year 2018-2019 that sufficient funds have been collected to complete financing on the Project(s) listed below. The chart below identifies the estimated date that construction is anticipated to commence on each Project:

Project	Estimated/Actual Commencement Date

e. Description of Each Interfund Transfer or Loan Made From the Fund (Government Code Section 66006(b)(1)(G)):

Interfund Transfers: N/A

Interfund Loans: N/A

f. Refunds and Allocations (Government Code Section 66006(b)(1)(H), 66001(e), (f)):

When the District has determined that sufficient funds have been collected to complete financing on incomplete Project(s) and the Project remains incomplete, the District is required to identify the approximate date by which the construction of the Project(s) will commence. If the District fails to timely identify the approximate date by which the construction of the Project(s) will commence, then the District must refund the unexpended portion of the Reportable Fees and any interest accrued thereon to the then current record owner(s).
