1 Beginning FY 24-25 fund balance may differ from ending fund balances reported in FY23-24 report. This is due to corrections to the fair market offset in the final audited numbers, which were not available at the time the report was prepared.

2 Fees collected represents the program management development impact fees that were previously held in separate deposit accounts and have been reclassified into the Program Management Fund to reflect the total program management fees.

3 Investment Earnings total includes cash-fair market value offsets.

Requirement 5: Identification of each public improvement for which fees were expended and the amount of expenditures, including the total percentage of the cost of the public improvement that was funded with fees.

Table 39 identifies the Ellis Program Area, Program Management Expenditures for FY24-25. Program management fees cover the cost of legal, accounting, administration support, revenue collection, revenue and cost accounting, mandated AB1600 annual and five-year public reporting, and fee justification analysis for the Ellis fee program.
