The Wastewater Master Plan and Fee Study outline the facilities that are needed to serve new development in the City. The Master Plan Area infrastructure project needs are currently being updated through Master Plan updates. Updated infrastructure project costs will be determined and the timing of project commencement will be prioritized through the City's CIP process. **Table 56** highlights the projects currently programmed in the City's FY 22-23 budget and in the early design stages with City staff that will utilize this fund balance.
