Requirement 5: Identification of each public improvement for which fees were expended and the amount of expenditures, including the total percentage of the cost of the public improvement that was funded with fees.

No expenditures were made from this account for FY22-23.

Requirement 6: An identification of an approximate date by which the construction of the public improvement will commence if the local agency determines that sufficient funds have been collected to complete financing on an incomplete public improvement and the public improvement remains incomplete

The Water Master Plan and Impact Fee memo, outline the water infrastructure needs to serve the Master Plan Areas. The Master Plan Area infrastructure project needs are currently being re-evaluated and updated through Master Plan updates. Infrastructure projects to be constructed by this fund will be determined through the updates and the timing of project commencement will be prioritized through the City's CIP process. **Table 70** identifies the anticipated priority projects once adequate fee revenues are collected.
