¹ Investment Earnings total includes cash-fair market value offsets.

Requirement 5: Identification of each public improvement for which fees were expended and the amount of expenditures, including the total percentage of the cost of the public improvement that was funded with fees.

No expenditures were made from this account for FY22-23.

Requirement 6: An identification of an approximate date by which the construction of the public improvement will commence if the local agency determines that sufficient funds have been collected to complete financing on an incomplete public improvement and the public improvement remains incomplete

Sufficient funds have not been collected from this fee program to commence capital water improvements identified in the Core Fee Study. The fund is in a negative balance and fee collection will continue to cover the prefunding of Core Fee Water projects.

Requirement 7: Description of each interfund transfer or loan made from the account, including the public improvement on which the transferred or loaned fees will be expended, and when each will be repaid and the rate of interest the account will receive on the loan.

No interfund transfers or loans were made from this account this FY22-23.

Requirement 8: Identification of any refunds made once determined that sufficient monies have been collected to fund fee-related projects

No refunds were made from this fund in FY22-23.
