¹ Beginning FY 24-25 fund balance may differ from ending fund balances reported in FY23-24 report. This is due to corrections to the fair market offset in the final audited numbers, which were not available at the time the report was prepared.

² Investment Earnings total includes cash-fair market value offsets.

Requirement 5: Identification of each public improvement for which fees were expended and the amount of expenditures, including the total percentage of the cost of the public improvement that was funded with fees.

No expenditures were made from this fund in FY24-25.

Requirement 6: i) An identification of an approximate date by which the construction of the public improvement will commence if the local agency determines that sufficient funds have been collected to complete financing on an incomplete public improvement and the public improvement remains incomplete. ii) Identification of each public improvement identified in the previous report and whether construction began on the approximate date noted. iii) For previously identified projects that did not start construction on the approximate date in the previous report, the reason for the delay and a revised approximate date that the local agency will commence construction, if applicable.
