405-636	Water System Improvements & Valve Replacements	\$ 1,398,126	\$ 376,177	27%	N - in progress
405-660	Water Tank Improvements Project	\$ 370,400	\$ 142,072	38%	N - in progress

As of June 30, 2023, there were no interfund transfers, loans, or refunds made from the fund, and the unexpended fund balance of the water connection is \$1,206,901. The fund balance and continued collection of water connection fees will be utilized to fund projects related to the water system improvements and ongoing maintenance of existing facilities. The City/District anticipates funding a part of the water tank improvement project (405-660) using a portion of the water connection fees in the next fiscal year.
