Sewer System Connection Charges and Fees

Municipal Code, Chapter 11, Article 3, Section 11-3.255 authorizes the City to assess connection fees to any customer (new or existing) who installs new or additional fixtures, processes, or equipment, or otherwise causes an increase in wastewater discharge into the City sewer. Residential users shall be assessed for each unit. Commercial, Industrial, Institutional and Other Users will be calculated in accordance with the number of gallons of daily capacity required to serve the customers and the pounds per year of carbonaceous biochemical oxygen demand and suspended solids.
